

Message from the President

As we come to the end of 2021, it leaves us in a point of uncertainty about the future. Regardless, our Northern District had some great events in 2021 and look forward to positive new beginnings in 2022. We are so grateful to our management company in helping us stay organized and effectively communicating with you, our members.

The NDDS is proud to be a great district that has led in-person events as well as hybrid and virtual throughout the pandemic. The CE event at Top Golf was well-attended and a successful in-person meeting. The Greater Atlanta Dental Foundation hosted a fabulous gala in August and raised funds for dental clinics in the Atlanta area. On November 4th, we hosted a lovely Legislative Reception at the Buckhead Club and enjoyed seeing many of our state representatives. Check out the photos below! I am thankful to our CE chair, Dr. Daren Becker, for providing world class speakers for our virtual CE events.

The NDDS Administrative Council, along with our many committee chairs, are working together to bring you another great year of NDDS activities and networking. Plans are already in place for the 2022 Gala, so save the date of Saturday, August 20, 2022 and join us at The Omni. The CE Meetings in 2022 will be a combination of live, in-person as well as virtual meetings. We have learned that our members enjoy both and we look forward to offering the variety.

Recently at the GDA House of Delegates meeting, we concluded that we could use some additional support in our district. Many of our members occupy seats on the Board of Trustees, but they cannot count as delegates or alternates. In learning this, I am personally asking for your help. Please reach out to our management team if you are interested in serving as a delegate or alternate. I hope to see you all over the next year and in July at the GDA Annual Meeting. We are excited about the next GDA meeting at the Omni in Amelia Island on July 21st.

In conclusion, I want to thank you and express my gratitude for the opportunity to serve as your NDDS President for the 2020/2021 year. I am excited to pass the torch to the wonderful Dr. Amy Kuhmichael.

MEET YOUR 2022 EXECUTIVE BOARD

...and enjoy a little fun we had with the interviews!

	Where is your hometown & how long have you been in GA?	What are your hobbies?	What's your "Rock Star" job?	Do you have a memorable holiday tradition as a kid or any other interesting fun facts to share?
President Amy Kuhmichel, DMD 	We moved around Texas a lot...it would be toss up between Houston & Amarillo. Georgia: 15 years	Food & Wine	Airline Pilot	Decorating Christmas cookies
President-Elect Heather Perry McGee, DMD 	I was born in Louisville, KY. However, I moved to Georgia 40 years ago and consider Gainesville my hometown.	I guess right now my kids are my hobby. Will (11) and Owen (13) still seem to like me, so I'm going to hang out with them as long as they'll let me. So kids and Georgia football. Go Dawgs!	Party planner to the stars, of course. I love planning and setting up for birthday parties, Georgia parties, New Year's parties.	I always had fabulous Christmases, but I don't remember any tradition in particular. So I'm trying to establish memorable things for my kids: we always get our real Christmas tree the day after Thanksgiving, the elf brings little candy canes every morning (but does NOT get into mischief), and Santa always leaves glitter footprints through the house when he brings their gifts.
Vice President David Marion, DDS, DMC 	Born and raised in Atlanta, GA! Been in GA most of my life, except 5 years as a child in NJ, enough to appreciate the south even more!	Woodturning, woodworking, home renovation and off-trail orienteering	Creating artistic woodturnings that incorporate blown glass structures	Memorable Tradition: Being allowed to open one carefully-chosen gift on Christmas Eve, saving the others for the next morning. Interesting Fact: My great Uncle invented the crossword-puzzle!
Secretary/Treasurer Darryal McCullough, DDS 	I was born in Montgomery Alabama but I've been in Atlanta since I was 6 weeks old.	I enjoy golf, traveling, baking and laughing with my friends and family especially my 4 yr grandson. A fun Friday afternoon is walking through the zoo.	If I wasn't a dentist, I'd sing R&B on a stage.	Memorable Tradition: Spent the day assembling Christmas decorations for our home inside and outside. Interesting Fact: I enjoy neon lights and I have DJ equipment set up in my home.
Editor Nancy Myerson, DMD 	My hometown is West Hartford, CT I moved to GA 2 days after the Olympics in 1996.	Pilates, water aerobics, volunteering every Friday at the CAC Food Pantry, volunteering with my daughter- we are members of National Charity League, cooking.	Rock Star job is professional buyer of high end used clothes.	Most memorable tradition is celebrating my 1/2 birthday every year with a cake on December 26th.
Immediate Past President Linda King, DDS 	Began practicing in Griffin, Georgia in the early 90's and started practice in Locust Grove in 1997	Dr. King is married to Tim Kohl, and together they have one daughter, Cadance.		
GDA Northern District Trustee Donnie Brown, DDS 	Hometown: Columbus, Ga Been in GA: Entire life except for 4 years at Auburn and 1 year at Johns Hopkins	Travel and following my sport teams	If I weren't a Dentist, I'd be an investment banker and my Rock Star job would be a Manager of a MLB team	Memorable Tradition: Thanksgiving and Christmas dinner at my grandmother's house Interesting Fact: Saw James Brown 10 times in concert and went to Otis Redding's funeral

Dr. Carol Wolff and husband, Joe, hosted their "Pizza and Pajama" event at their mountain home that was auctioned off at the 2019 Gala. The couples that participated were Tom And Linda Jagor, Ben and Cindy Jernigan and Henry and Lesley Benson. Becky and Richard Weinman helped with the evening presentation. A great time was had by all with beautiful sunset and sunrise, great food and wine, and good company.

Happy Holidays

Warm wishes from Alyson Conley and Katie Brown,
your Northern District Executive Team
